# Clean Getaway™ Hands-Free Door Openers

Minimize the chance of spreading germs from potentially contaminated door handles.

## A Super-Simple Solution to Improve Workplace Hygiene

- Provides a user-friendly means of pulling doors open without having to touch handles or other door surfaces.
- Available in two models—one for foot use at the base of the door and one for forearm use at normal mid-door height.
- Angle designed for safety—effective for pulling, but allows for a quick-slip release to prevent injury.

## Engineered for Commercial Use

- Stainless-steel construction for lasting strength and appearance, even in high-traffic applications.
- Versatile – can be placed almost anywhere.
- Easy to install; hardware included.

#69811 Forearm Unit

#69813 Foot Unit

Buy once. Buy the original.  
Always look for this mark of quality

## Suggested Uses

*Great for any commercial or industrial workplace environment where personal and facility hygiene are a priority. Install on restroom, breakroom and other commonly used doors to give staff and customers an alternative to using conventional and potentially contact-hazardous door handles.*

## Standard Specifications

Model	Description	Dimensions (w x d x h)
69811	Clean Getaway™ Forearm Unit	1 <sup>3</sup> / <sub>4</sub> " x 3" x 2 <sup>5</sup> / <sub>8</sub> "
69813	Clean Getaway™ Foot Unit	3" x 3 <sup>3</sup> / <sub>16</sub> " x 3"
