

ALL THE FEATURES TO KEEP YOU GRINNING

The ability to handle your busiest dayparts is only a taste of what makes these freezers so great.

- Single, twin twist and multi-flavor options
- Countertop and freestanding floor models designed to fit your operation
- Gravity or pump mix delivery
- Adjustable overrun
- Versatility for ice cream, frozen custard, sorbet, frozen yogurt and even shakes
- Excellent recovery time and throughput so you can handle any rush.
- Easy to use for customers and staff.

CONVENIENCE AND PEACE OF MIND

Some models are available with 28HT—our special 28-day heat treatment feature that virtually eliminates daily maintenance.

- Go almost a month between cleanings without compromising food safety
- Add the Brush Butler service and a Taylor tech performs all monthly cleanings

Itaberco

PREMIUM PRODUCTS

Create your own signature soft-serve with our premium mixes from Itaberco. Offer everything from gelato and sorbetto to frozen yogurt, custard and incredible soft-serve ice cream.

With a myriad of flavor options we can help you design an exclusive flavor experience to offer your customers. Create a unique soft-serve dessert and taste the sweet, profitable rewards Itaberco mixes and flavorings provide.

ADD SOME FLAVOR

Want even more choices? Choose an add-on unit from Flavor Burst with up to 8 flavors in one unit! Specially formulated syrup is striped on the outside as well as injected

through the center of the soft-serve for maximum flavor coverage. With syrups that gel on contact with the ice-cream, there are no drips—just bright, colorful, delicious flavor.

Ask us about our Zero-Down Financing

Start generating profit from your equipment right away with flexible financing options. Include taxes, shipping, and equipment and get up and running fast!
