

YOU'LL LOVE YOUR OPTIONS

If you think making your own slush menu sounds sweet, wait until you hear the rest of it. These freezers really are designed around your operation!

- Available in one and two-flavor models.
- Choose from a variety of freezer sizes including small countertop and high-volume freestanding models.
- Pre-mix or post-mix syrups for unlimited flavors.
- Compatible with syrup programs from popular soft drink brands.
- Superb repeatability for phenomenal slushes every time.
- Excellent recovery time and throughput so you can handle any rush.
- Easy to use for customers and staff.
- Remote refrigeration models available.

SERVING YOU, SERVING THEM

While Taylor slush equipment is built to be your kind of fun, we're built to serve. Taylor supports our customers with a global distributor network, dedicated help centers and the most highly trained service technicians in the industry.

SLUSH TO-GO

BUILT TO BE YOUR KIND OF FUN

It's always more fun when you can put your own spin on the world's happiest, most refreshing on-the-go treat.

DO IT YOUR WAY

With the versatility to create your own ever-changing frozen drink menu, our equipment helps you stand out from the crowd.

- Easily switch flavors and offer everything from colorful, fruity slushes to gourmet frozen teas and coffees.
- Stay on-trend and drive traffic with cool, new limited time offers.
- Capitalize on a customizable, high-margin profit center.

TAYLOR®

From frozen carbonated beverages for kids, to frozen margaritas, daiquiris and frosé for adults, Taylor equipment will bring menu variety and expanded to-go options to your customers!
